Re: Grant House vs NCAA
Case #: 4:20-CV-03919 CW

CLERK, U.S. DISTRICT COURT
NORTH DISTRICT OF CALIFORNIA

I respectfully object to the release of my personal information for this court case and have notified my University's general council as well. I am no longer a member of my University's team. I was never on an athletic scholarship. And I have not nor do I plan to have any NIL deals related to my time as a student athlete at my University.

Sincerely,

Jacqueline (Jax) Purwins
